

## **RAC NYSCAR's June 20, 2019 Member Luncheon Hosted by Canopy Management**

Canopy Management hosted our luncheon event on June 20 at [The Terminal Building](#), located at 65 West Broad Street in Downtown Rochester. Pete Gillett showcased the available first floor Commercial space for lease. Adam Caulfield, from [Smith+Associates Architects](#) pointed out that the building was a historical landmark and discussed renovations done within the building. Pete also presented office/retail space for lease at 50 Chestnut Street and One Eleven on East and, after lunch, gave tours of the Terminal Building's rooftop deck and the common areas, including the basement, which housed the former Terminal area. Approximately 35 RAC NYSCAR members and their guests enjoyed lunch catered by Jeremiah's Tavern.

Our not-for-profit guest speaker was Dani Polidor from [Homesteads for Hope](#). Homesteads for Hope is a 501(c)3 non-profit Community Farm creating effortless inclusion with a distinctive place to learn, work, live and grow for people of all abilities in the Greater Rochester Region.

What a view on top of The Terminal Building Rooftop Deck! Even on an overcast day, it's amazing!!!
