**Hosted by Acquest Development**

William Huntress, Michael Huntress and Tim Weber of [Acquest Development](#) hosted our May 30 lunch event at 2600 Manitou Road, highlighting their beautiful 793,000 square foot turn-key property for lease. We had approximately 60 members and guests attend. Matt Hurlbutt, President & CEO, [Greater Rochester Enterprise](#) (GRE) was our guest speaker and discussed GRE's mission to attract businesses to the Greater Rochester region. Rochester has so much to offer! Our group was then treated to an extended tour of the building after lunch, which was catered by Dinosaur BBQ.
