

**RAC NYSCAR's May 9, 2019 Member Luncheon
Hosted by the Oakgrove Management Group**

We had a rare day in Rochester -- sunny and warm -- for our luncheon on May 9 at 36 King Street hosted by the Oakgrove Management Group. Almost 50 RAC NYSCAR members and their guests attended. Our hosts were Matt Drouin and David Martin. Both highlighted the space available where our lunch took place along with their other properties, and a tour was available. Matt Marino from Nexus Capital REIT gave a brief presentation on Umbrella Partnership Real Estate Investment Trusts (UPREIT). Our non-profit spotlight was presented by Cara Reindl, Director of Communications & Development at [Rehema Home](#). Our Technology update was made by Sarah Compter from [SNYACT](#), who educated us on Customer Relationship Management (CRM).
