

**RAC NYSCAR's September 12, 2019 Member Luncheon
Hosted by Buckingham Properties.**

What a spectacular turnout for our luncheon hosted by [Buckingham Properties](#) on September 12 at Monroe's Restaurant in Pittsford, NY! We had almost 70 RAC NYSCAR members and guests attend. Our hosts from Buckingham included Ken Glazer, Chairman; Tom Latta, Vice President of Leasing and Tenant Relations; Courtney Janto, Associate Director of Leasing; Adam Borrell, Leasing and Tenant Relations; and Diana Williams, Leasing and Tenant Relations. Attendees were treated to tours of end-caps that Buckingham has available at the Springhouse Commons and at Monroe Clover Plaza. Our special not-for-profit speaker was [Gilda's Club of Rochester](#)'s CEO, Melinda Merante. Gilda's Club programs offer much-needed social and emotional support to those living with cancer along with their families and friends. As always, Monroe's had an exceptional buffet for our luncheon.
