

**RAC NYSCAR's September 26, 2019 Member Breakfast  
Hosted by RYCO Management, LLC**

Jim Ryan, President of [RYCO Management](#), was our host for RAC NYSCAR's Member Breakfast on September 26 at their space at 179 Sully's Trail in Pittsford, NY. Both he and Jade Eakins, RYCO Management's Marketing & Community Manager, reviewed properties from their September Leasing Newsletter. For our not-for-profit highlight, Jim discussed Uncommon Schools' Rochester Prep, which is currently comprised of six free public schools -- three elementary, two middle and one high school. Our special guest speakers from [Mossien Associates](#) were Dan Mossein, President and CEO, and Jeff Ashline, Senior Associate and Senior Project Manager. Tours were available after the presentations. Approximately 35 members and guests were treated to a tasty breakfast catered by the Village Bakery at Eastview Mall.
