RAC NYSCAR'S New Student Scholarship

From the Desk of Colleen Wightman, Student Engagement Chair:

With the introduction of RAC NYSCAR's new Student Membership voted in by the membership at the Gala last year, the BOD has been in the process of developing a new Student Scholarship to promote this new endeavor. This new scholarship will replace our former RAC NYSCAR Education Scholarship as applications over the last several years have significantly dwindled due to the availability of free NYSCAR education.

Our new Commercial Real Estate Scholarship Program for Students will be designed to introduce of-age high school students and college students to the dynamic world of Commercial Real Estate. The program will provide hands-on learning experiences and mentorship to help students pursue their Real Estate license or further Commercial Real Estate education. More details will be forthcoming.
